

Attention Columbia Gorge Real Estate Agents!

3 Hour WA CE Credit Live Course

“Enhancing Real Estate Values Via Cost-share Conservation Programs”

This course is designed to provide quality professional education for real estate licensees of any experience level:

- (1) To assist them in formulating their opinions of price and value in a competitive market, when requested by either sellers or buyers,
- (2) To alert property owners of opportunities to upgrade and add value to their properties via conservation programs,
- (3) To alert real estate agents and their contacts about laws affecting property rights in riparian areas,
- (4) To assist in protecting properties from natural disasters such as wild fires, and
- (5) To provide resources for continued education.
